- 2) **COE-US:** Centers of Excellence in the Continental United States
- 3) **Hawaii:** Participating Providers in Hawaii
- 4) **Other Participating Providers:** Participating Providers in Asia and the U.S. including the UnitedHealthcare Network

## Off-Island Care

The following was developed to assist members with the off-island referral process. Please contact our office for any additional assistance you may require.

### Referral Procedures

- Visit the Calvo's SelectCare office to see a Customer Service Representative at least four (4) weeks prior to departure. It is advisable not to purchase airline tickets without a confirmed off-island doctor's appointment. You will be asked to complete our Off-Island Appointment Request Form. Among other things, this form is used to convey your preferred off-island facility, appointment dates and the required level of care and provides us with additional information to better serve your off-island needs. Your Representative will be able to provide you with the necessary information for you to make the best possible choices regarding your off-island medical care.

### Required Documents

- Off-island medical referral from your local doctor.
- Medical Records related to your illness. You will likely need to bring these records with you to present to your off-island provider.
  - Copies of diagnostics tests such as Ultrasound, X-Ray, MRI, CT Scan, Biopsy Reports, Pathology Slides, Angiogram CD, and any other pertinent records.
  - Most Recent Blood Tests/Laboratory/Pathology and other diagnostic procedure results.

- If you were recently discharged from a hospital, please bring the Discharge Summary, Laboratory Results, and any Operative Reports.

- Completed Calvo's SelectCare form authorizing us to receive health information from your off-island provider.
- Calvo's SelectCare Member ID Card and a picture ID.
- Please allow us time to review your request, generate the necessary paperwork, and confirm acceptance by a physician and/or facility. Most delays in processing are due to appointment unavailability, changes in schedule, and/or incomplete records. All appointments are subject to provider and facility availability and there may be a waiting period until your scheduled appointment.
- A Guam Memorial Hospital Social Worker may provide assistance for Hospital-to-Hospital transfers, so please communicate with them as they have standard procedures and protocols for Hospital-to-Hospital transfers.
- When a referral packet is ready, we will call you for pick-up. Anticipate and allot 30 minutes of your time to review the off-island referral packet and sign any necessary documents.
