Shape Up program is designed with whole food meals, lifestyle interventions addressing sleep hygiene, stress management, hydration, mindful eating, and physical activity. We provide training materials to help participants to improve their daily routine with an emphasis on intermittent fasting.

Detox program is an intermediate level program to help you reset your lifestyle. Meals are provided with additional raw food and phytonutrients in the meals. This program is designed with whole food approach, lifestyle interventions, addressing sleep hygiene, stress management, hydration, mindful eating and physical activity.

Advanced Detox program is also designed with whole food approach but utilizing fasting mimicking diet (all the benefits of fasting without the hunger) with emphasis on lifestyle intervention. You can still enjoy your meals (this is not a liquid diet program) with guideline provided while receiving high nutrient density food powder mix packed with powerful phytonutrients for 1 week! ***Prerequisite: 7-day ShapeUp or 7-day Detox program within the last 3 months**

NEWSTART program applies medical, behavioral, motivational, and environmental principles to the address lifestyle-related chronic disease. This is an educational program focusing on lifestyle medicine, discovering the root cause of chronic disease, utilizing evidence-based lifestyle change as the first line therapy for disease treatment and reversal. Joining both the 7-day Detox and 7-day Advanced Detox programs is recommended for the best outcome.

DiaBeatIt is a certified program meeting all quality standards by DEAP approved by ADCES. Join today and learn the most effective way to set yourself free from diabetes. You will benefit most by joining ShapeUp program in conjunction with the DiaBeatIt program. We strongly recommend joining both the 7-day Shape Up and 7-day Advanced Detox programs for the best outcome.
